BIO	Sharon E. Harrington, CPLP, is an Organizational Communication Consultant with over 25 years' experience facilitating workplace learning and mediating issues surrounding workplace conflict. Her primary focus area is working with leaders to develop foundational skills for navigating through uncomfortable workplace situations that can be time consuming and costly when simply evaded. She is the founder of Amediate, LLC (www.amediatellc.com) which provides services in employment discrimination investigations, employment mediation and learning facilitation. Her clients include federal and state government, small/mid-size businesses (primarily manufacturing) and volunteer organizations. (MA degree in Organizational Communication, BA degree in Public Relations/Journalism, certificate in Federal Workplace Mediation and Certified Professional in Learning and Performance - CPLP)
